Dear Mr. Von Hermann:

Re: Exchange Agreement for swap of Young Tract for USFS  
Tract 60-d, McCormick County, South Carolina

As we discussed in your office last Monday, October 3, 1988, Amselco is selling its interest in the Barite Hill project in McCormick County, South Carolina to Sons of Gwalia (USA) Ltd. It was agreed that Amselco's name could be exchanged for that of Sons of Gwalia (USA) Ltd. in the Exchange Agreement. Enclosed is a copy of the amended Exchange Agreement with the name change that I sent to officials of Sons of Gwalia (USA) Ltd. for review and execution.

I will be getting in touch with you presently to arrange a meeting with a representative of Sons of Gwalia and myself.

Should you have any questions please feel free to give me a call. Thank you for all your assistance in the past.

Sincerely,

BP Minerals America  
(formerly Amselco Minerals Inc.)
